Dear Nelson,

I received your notice letter dated Feb.13, 2013 today.

Here I inform you that we didn't have a chance to export SLAB to Korea due to the fund and process problems.

We are reorganizing our process to meet the situation of US seller's market, which will be done in near date.

Please make a note of our SLAB export record as " NONE " for year 2012.

Thanks and Regards,
